

Saugatuck Public Schools, Parent & Student Compact

Saugatuck Public Schools and the parents of students participating in Title 1 programs agree that this compact outlines their shared responsibility for improved student academic achievement and for building a partnership to help students achieve the State's high standards.

School Responsibilities

Saugatuck Public Schools will:

- Provide high-quality instruction in a supportive and effective learning environment to enable students to meet the State's academic achievement standards.
- Hold parent-teacher conferences twice a year and discuss this compact as it relates to the individual student's achievement.
- Provide parents with frequent reports on their child's progress through the PowerSchool Student Information System, mid-term progress reports, and trimester report cards. Parents of students in Title 1 programs will meet with staff to review data and create an individual learning plan.
- Provide parents reasonable access to staff through email, telephone, individual appointments, and written correspondence.
- Provide opportunities for parents to serve on various booster organizations and advisory groups. Parents may volunteer in and/or observe classroom activities and chaperone field trips throughout the school year.
