

Grant Rogers Burd Youth Scholarship – Donation

This scholarship was established in 2016 to honor the memory of Grant Rogers Burd who passed away from a rare Mitochondrial disease before he was able to participate in any Saugatuck Community Recreation programs. The Burd Family recognizes the importance of community recreation and hopes every child can enjoy the many programs offered regardless of their economic circumstances.

Through the generous support of our community, Saugatuck Community Recreation provides a program for youth to help cover the costs of registration and equipment. If you are interested in contributing, please complete the form below and return it to the Community Recreation office. Donations can also be made online at www.saugatuckps.com/District/Department/Community-Recreation or in person at any Macatawa Bank location to the Grant Rogers Burd Memorial Fund. Thank you.
