### Definitions

- **Chronically absent** means absent for 10% or more of the enrolled school days in a school year, whether absenteeism is due to unexcused or excused (for instance, missing 3 days of school the first month of the year; 8 days in the first half of the year; or 18 days in the entire school year.)  
\*\*\*Note: Add absences for the school year should be counted, even if they have carried over from a different school. Attendance shall be continuous and consecutive for the school year (sec 1561) and not start over each semester.
- **Disciplinary absence** means absences that result from school or district disciplinary action and are neither unexcused nor excused absences. (*Does not count against chronic absenteeism*).
- **Tardy** means arriving to school or class after start time 1-20 minutes late.
- **Late arrival** means arriving to school or class any time after 20 minutes of the start of class or the day (after 8:30 a.m. at DES).

- **Unexcused absence** means an absent that is neither excused nor disciplinary. Ten late arrivals and/or early dismissals = one unexcused absent.
  - Truant means a student who has 8 or more unexcused absences in a school year.
  - MCL 712A.2(a)(4).
- **Excused absence** means the following:
  - Student illness/injury/residential treatment (with doctor's note or verified by parent).
  - Medical appointments (with doctor's note)
  - Religious holidays
  - Lice (3 days)

  - And others

### **Administrative Summary**

## ACADEMICS AND PROGRAMS

### **ACADEMIC TESTING:**

Students in grades one through five participate in common math, writing and reading assessments.

Students in 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grades take state required standardized tests.

Students in grades two through five participate in the NWEA-MAP (Northwestern Education Association Measure of Academic Progress) test. This is a computer-based assessment that is given each fall as part of our AdvancEd Accreditation plan. This test measures student growth over time.

Test periods are long. In order for students to do their best, they need to come to school well rested having eaten a good breakfast. The results of these tests are used in program planning for our students.

### **CURRICULUM:**

Teachers use the Michigan Content Standards and the Common Core Standards at each level. Teachers are responsible for creating a balanced and reasonable program within these standards for each elementary student. They are happy to discuss any areas of the curriculum with parents. If there are any questions before conference times, please call for an appointment with the teacher.

### **EXTRACURRICULAR OPPORTUNITIES:**

Extracurricular opportunities offer students both enrichment and remediation opportunities. These meet after school and are run by our teaching staff or assistants.

### **FIELD TRIPS:**

Field trips are an excellent way to support and extend the classroom learning experiences. Arrangements are made for an adequate number of adult chaperones and safety precautions are taken. The classroom teacher provides information for each field trip. A parent permission slip for all field trips during the school year should be signed by parent/guardian, and returned to the school in the fall. All field trips off of school property require parent permission. Parents asked to serve, as chaperones must accompany the students on the bus unless requested to drive by the classroom teacher. There should be no smoking at all. All volunteers must fill out a Background Check Form, well in advance of the field trip, in order to chaperone any/all field trips.

### **GRADING POLICY:**

All Grade Levels - Teachers are to provide parents with progress reports at parent/teacher conferences and report cards twice annually. Students are graded in each subject area using a standards based report card.

### **HELPING YOUR CHILD:**

It is important for home and school to work together. Here are some suggestions:

1. The child's health and school progress demand plenty of food to supply energy for work and play. They need a wholesome breakfast and a nutritious midday meal. A good dinner is very important too.
2. A growing child needs plenty of rest. A sluggish, indifferent child in the classroom often has been up late the night before. A reasonable bedtime should be set and maintained.
3. Have your child periodically examined by a physician, particularly in the areas of hearing and vision.
4. A child needs security, needs love, confidence, and the understanding that only a home can provide. Recognize that emotional tensions at home will affect your child's performance in school.
5. The school day is a child's working day and it should not be over loaded. Music lessons, dancing lessons, scouting, horseback riding, etc., are important, but these activities should be balanced to allow the child an opportunity for relaxation and free play.
6. Acquaint your child with the wonders of nature and the world around him/her. Make trips to nearby places of interest such as museums, zoos, art galleries, and historical spots. These experiences give the children something to build on in the classroom and confidence in their approach to schoolwork. Hobbies and collections are also valuable.
7. Encourage your child by expressing a genuine interest in school and its activities. For concerns about some phase of development, contact the teacher or principal.
8. Regular school attendance is important when your child is healthy. Absences cause a strain on interest and enthusiasm when the child returns and finds that he/she does not understand the work.
9. Critical discussion of school should be avoided in the presence of your child. The place for this discussion is with the school personnel concerned.
10. Read with your child.
11. Provide a place to study that is well lit, quiet and has supplies. Set a consistent study time for each day.
12. Encourage creative play, spend time together as a family, and talk together about school. Encourage the positives!

### **HOMEWORK GUIDELINES:**

At Douglas Elementary School, we value homework as a way to communicate with parents, help students to practice skills, and teach students organization and responsibility.

Our homework policy reflects best practice research and our collective beliefs. As a parent, you can expect our teachers to follow these guidelines:

- Homework should be engaging and purposeful
- Homework expectations, responsibility, and rigor should be different for each grade level
- Students should not lose recess because of homework
- When possible, homework should be differentiated to meet student developmental and academic needs
- Reading at home is an expectation at all grade levels

### **SPECIAL PROGRAMS:**

Douglas Elementary offers a number of special programs and services to meet the individual needs of students. Included are a resource program, reading and math Response to Intervention (RtI), speech and language services, occupational therapy services, physical therapy services, social work, and psychologist services. In addition, there is an appropriate pacing committee to address the needs of high ability students.

## ATTENDANCE

### **ARRIVAL AND DEPARTURE:**

Students are allowed in the northeast entrance to the building at 7:45 a.m. Front doors open at 8:00 a.m.

Students may arrive after 7:30 a.m. if they are participating in the morning Jump Start Program in the gym.

Students are allowed in the classrooms when the bell rings at 8:00 a.m.

Parents may only pick up their **own** student(s).

Parents are requested to use the drive for drop off and pick up. Parking should **only** be done **in** the lot. Parents are requested to drive slowly and watch for children at all times.

### **ATTENDANCE: ABSENCES:**

Michigan law mandates school attendance for all children. Therefore, students must be regular and punctual in their school attendance. Parents are to call the school by 8:30 a.m. when their child is absent. The office will call the parent if the parent has not called to excuse the student. This enables us to keep records of any serious communicable disease, and to monitor the safe whereabouts of our students.

*If at any time during the school year a student's absences have reached 10% of their school days as being absent, this should initiate steps by the district to address the concern. If the student's attendance doesn't improve, the school will make a truancy referral.*

### **STUDENT LEAVING SCHOOL EARLY:**

If you find it necessary to pick up your child earlier than regular dismissal time, please notify his/her teacher and the office by phone/note. Please report to the office to sign out your child. We must be sure the proper person is taking the child from school. Your child will be called to the office.

### **TRANSFER OR MOVING FROM THE DISTRICT:**

Should you move from the school district during the school year, please let the school know of the intended move at least one school week in advance. The school needs to know the last day of attendance, and if possible, the school district to which you are moving. Students must return all supplies (books, library materials etc.). The new school will request official school records. To avoid any delays in transferring records, please make sure that you use our school's correct address. (P.O. Box 818, Douglas, Michigan 49406)

### **VACATION POLICY:**

If a child will be out of school for an extended period of time for a vacation, parents are requested to notify the school as soon as possible. Teachers are not always prepared to create and plan lessons far in advance. Students may be required to make up their work upon their return. If parents choose to take children out of school for a trip, they will be expected to help their child catch up with work upon their return.

## BUILDING AND GENERAL POLICIES

### **ADVERTISING AND POSTERS IN SCHOOL BUILDINGS**

Permission to display posters or advertising of any type must be obtained from the building principal.

### **BICYCLES:**

Students who ride bicycles to school must obey the following rules of care and safety:

1. Students are responsible for the safety and security of their bicycles when they ride them to school (locks are recommended).
2. Bicycles should be walked across corners and children riding bicycles should obey traffic signs. Students should wear helmets when riding bikes to and from school.
3. Bicycles are to be parked in designated areas and not on the lawn or sidewalk areas. Bicycles must remain there until dismissal.
4. Bicycles are to be parked in the bicycle racks and may not be ridden on the playground before or during school hours.

### **PERSONAL APPEARANCE:**

Dress should be appropriate, suitable for learning and the health and safety of our children. It is requested that parents and teachers guide students toward appropriate dress.

Protective clothing needs to be worn in bad weather. Shoes should be worn at all times. Shorts, dresses and similar clothing must be “finger tip” length or longer (when arms are held straight down). Sleeveless tops are appropriate for warm weather if underwear is not visible at any time. Spaghetti straps are not appropriate. A “cropped” top is not appropriate (when arms are raised up, there may be no exposed skin).

Our goal is education. **Personal appearance** should not be distracting or take away from the learning environment. **Appearances should not be contradictory to the building's mission statement.** Phone calls will be made home for substitute clothing or to discuss appearance issues if the above policy is not followed.

#### **FOOD SERVICE:**

##### **STUDENT LUNCH ACCOUNT POLICY:**

The Saugatuck Public School District provides students with the ability to establish lunch accounts, for the convenience of prepaying for students lunches. Students may also pay cash. In order to establish an account, it must be pre-funded. In the event, a student's account does not have sufficient funds to cover their meals, they will be allowed to charge up to 3 additional lunches before their charge privileges will be revoked. No student will be denied food. However, an alternative lunch may be provided until the account is fully funded. Families may participate in the National Free and Reduced Hot Lunch and Breakfast program, which may allow free or reduced lunch prices for your student based upon family income. More information and applications are available on the district's website.

The Saugatuck Public Schools offers a breakfast program to its students. Cost is \$1.80 per day. The breakfast line will close at 8:10 a.m. unless there is a late bus. Students may enter the building for breakfast at 7:45 a.m. through the front gym door.

Lunch will be served the first full day of school. Cost for lunch is \$2.30 per day. Parents can apply for free or reduced breakfasts and lunches anytime during the year. Forms are available in the office and kitchen. Students may bring their own lunch or breakfast to school if parents do not wish to purchase them. Cost of milk is \$0.50 if bought separately.

Random searches of school lockers and their contents have a positive impact on deterring violations of school rules and regulations, ensure proper maintenance of school property, and provide greater safety and security for pupils and personnel. Accordingly, the board authorizes the public school principal or his/her designee to search lockers and locker contents at any time without notice, and without parental/guardianship or pupil consent.

The public school principal or his/her designee shall not be obligated, but may request the assistance of a law enforcement officer in conducting a locker search. The parent/guardian of a minor pupil, or a pupil eighteen (18) years of age or older, shall be notified by the public school principal or his/her designee of items removed from the locker

#### **HOUSEKEEPING:**

Students are to keep their work and storage areas in order. The students should have clean desks, and keep books, shoes, and other materials in their proper place so that the cleaning personnel can properly clean the floors after school hours. It is important that every one works together maintain a clean and neat school. This effort also

teaches responsibility and respect for the property of others. Stickers and decals must not be placed on school property.

**LOST AND FOUND:**

Occasionally, a child loses a possession. A “lost and found” area in or near the south main hallway door is provided for lost clothing, equipment, etc. Valuables (watches, rings, money, etc.) are turned into the office. Parents can help by marking clothing and other personal items.

After the December Holiday Break and after the last day of the school year, leftover items in the lost and found are given to charity.

**PERSONAL PROPERTY:**

Personal play items are always subject to being lost, stolen or broken. Bringing personal items to school is done at the student’s own risk

Students will not be allowed to have electronic equipments such as electronic games or cell phones in class.

**THEFT:**

Any student who steals property from another person will be disciplined under the school’s discipline policy.

**PHONE CALLS:**

Students and teachers are busy during class time and interruptions stop the continuity of learning. Therefore, phone calls will not be put through to classrooms during class time. Voicemail is available and/or the office staff can deliver important messages at the end of the day.

Documents needed to enroll a student include an official birth certificate, an enrollment form, and a record of immunizations for communicable diseases as required by Michigan Law.

**SCHOOL SUPPLIES AND PROPERTY:**

Each student will need a pair of gym or rubber soled shoes properly identified. The school provides paper and pencils in reasonable quantities to students for their use in preparing school assignments. Crayons, paste, glue, rulers, and scissors are also needed for schoolwork. Many students prefer to have their own supplies. This is encouraged.

<b>COMMUNICATION</b>
----------------------

**ANNUAL REPORT:**

Each year in accordance with P.A. 25 of the state school code, Douglas Elementary makes an annual report to the public.

Our annual report is available on our website [www.saugatuckps.com](http://www.saugatuckps.com)

**COMMUNICATION TO DIVORCED PARENTS:**

Divorce laws stipulate that the custodial parent alone has the responsibility for custody care, control, and education of said children. Under the Family Educational Rights and Privacy Act (FERPA), parents shall have access to their child's educational records. FERPA regulations presume equal access for both parents, unless there is a court order or legal document to the contrary.

In the event of a request for access to a child's records or to a parent-teacher conference from a non-custodial parent, it shall be the procedure of the principal or the principal's designee to allow such access unless a legal document to the contrary is on file in the school office.

Information such as newsletters, conference information and report cards will be sent to the non-custodial parent, if requested in writing to the child's classroom teacher.

**COMMUNICATION WITH HOME:**

Working as a team (school, child and parent) is very important for the growth and development of your child. To facilitate our team concept, communication is very important. The following are some of the ways utilized at Douglas Elementary.

- \*Biweekly newsletter from the office
- \*On-line homework web pages for a classroom teacher
- \*Voicemail
- \*School website ([www.saugatuckps.com](http://www.saugatuckps.com))
- \*Classroom newsletters
- \*Calls, notes and letters from teachers
- \*District newsletter, Community Connection
- \*Parents/teacher conferences (scheduled and on request)
- \*Report cards
- \*Periodic progress reports by teachers
- \*Open house
- \*Hot lunch calendars

**ILLNESS:**

When a child has been ill, he/she will have a minimum of the number of days they were absent, to make up school work. Communication between parents and teacher can establish an extended timeline.

**CONCERNS AND QUESTIONS:**

Whenever a parent has a question regarding any matter relating to school, the parent should first contact the teacher.

If the concern or question needs further clarification, it should next be brought to the attention of the building principal. If satisfactory resolution is not possible by the building principal, the parent should next contact the superintendent.

However, most situations are resolved at the building level by either the classroom teacher or the building principal.

**PARENT-TEACHER ASSOCIATION (PTA):**

Parent involvement in a positive school experience is an important goal of the Douglas Elementary School PTA. Parents are encouraged to attend monthly PTA meetings. Volunteers are always needed and appreciated. Volunteers work together with the elected Executive Board to plan school events and help communicate ideas to the general membership. Information is published in the biweekly school newsletters, as well as on the bulletin board in the main hall.

**HEALTH AND SAFETY**

**ANIMALS AND PETS:**

Although animals and pets are an important part of many children’s lives, there are several reasons why there must be regulations governing their coming to school: allergies, the unpredictable behavior of animals, students’ safety, the school’s lack of space and proper facilities, and the nature of animals. Pets may be brought to school with classroom teacher permission, if an adult accompanies the pet and takes the animal home after the children have had a chance to see it. Dogs should be in arms or on a leash.

**EMERGENCY INFORMATION FORM:**

Parents who are absent from home during the school day must have current information on file as to where they can be reached in an emergency (i.e. sickness, injury). This can be done by filling out the information form at the beginning of the school year and by **notifying the school of changes during the school year.**

**EMERGENCY DISMISSAL:**

A. No School - During severe ice and snowstorms, it sometimes becomes necessary to cancel school. School personnel do this after an early morning investigation of road and weather conditions. You are advised to listen to the local radio stations and/or local TV channels for this information.

Television:

WWMT	CBS
WOOD-TV	NBC
WZZM	ABC

Radio:

WYVN	Saugatuck	92.7 FM
WOOD	Grand Rapids	1300 AM, 105.7 FM, WLAV
	Grand Rapids	1340 AM, 97 FM
WKLQ	Grand Rapids	94.5 FM
WGRD	Grand Rapids	98 FM, 1410 AM
WCUZ	Grand Rapids	1230AM
WLHT	Holland	95.7 FM

B. Early Dismissal – Schools are seldom dismissed early. However, on those occasions it becomes necessary to dismiss school early, (i.e. tornado watch, snow storm, boiler, or electrical failure). Parents will receive an automated message to the phone number they have listed on file if school is cancelled. There will also be a

broadcast on local radio and TV stations, if time permits. Students are dismissed in the usual manner and cautioned to go directly home or to a place already prearranged between you and your child.

### **FIRE DRILLS, TORNADO DRILLS, & SAFETY DRILLS**

Fire drills, tornado drills and safety drills are held so students can practice a safe and orderly response to a possible emergency. Since an emergency can occur at any time, students need to have proper footwear on at all times. There are five fire drills, two tornado drills, and three safety drills each year.

### **FIRST AID:**

Should a student receive a minor injury or become ill at school, appropriate first aid measures will be taken. Should a serious injury occur at school, office personnel will call 911 and then the child's parents or emergency contact person. The staff member in charge will file an accident report outlining when and how the accident occurred.

### **HEALTH/RECESS:**

In order to protect the health of all children, we ask that you keep your child at home when he/she does not feel well. Do not expect the teacher to diagnose illness. In the event that a child has a fever, he/she should remain home a minimum of twenty-four hours after the fever is gone without the assistance of a fever reducing medication.

All children are expected to participate in the recess periods unless there is a signed doctor's excuse. We believe that participation in vigorous play and exercise help develop fitness, and that physical activity helps to stimulate a child after a period of physical inactivity.

Children will play outside each day unless it is pouring rain, freezing rain, extremely muddy conditions exist, or the temperature is 10 degrees F or less, or there is a wind chill of 0 degrees F or less. The Douglas Elementary weather station will be used to determine if students will be outside for recess.

### **SCHOOL MESSENGER SYSTEM**

Keeping parents informed and involved helps to assure student safety and improve student success. With today's on-the-go lifestyles, it has become more difficult for schools to reach families quickly and effectively. This is why our school has decided to implement a system called School Messenger.

School Messenger is an essential tool for notification and communication. Within minutes of an emergency, school officials can use Instant Alert to deliver a single, clear message to the students' parents or guardians by telephone, cell phone, e-mail, pager or in any combination. The system can also be used to notify you of a school closing due to inclement weather. It's an equally effective way to keep you informed of everyday activities, such as event times and locations as well as schedule changes.

### **LASER POINTERS:**

Laser pointers will not be allowed on school buses, in the school buildings, or on the school grounds due to the danger to others.

### **MEDICATION POLICY:**

No medication, prescription or otherwise, can be administered by a school official without a signed consent of the parent. Medication is kept in a locked, supervised place away from the children. An adult in the school office always administers it. A procedure has been established for children receiving medication at school.

#### **Prescription medicine:**

1. A form signed by the parent and prescribing physician must be on file.
2. Medication must be in the original container with the child's name and the prescription type and dosage.

3. Parents are responsible for insuring that a proper supply of medication is brought to the school office.

Non-prescription medicine:

1. Tylenol or Benadryl (25 mg) or a like brand, may be given to a child for headache, fever or allergic reaction (bee stings, etc.), if a signed form is on file in the school office.

**SCHOOL NURSE:**

We do not have a school nurse on duty at Douglas Elementary School.

**TORNADO WATCHES & WARNINGS:**

Should there ever be a tornado watch or warning during a school day, the proper authorities will notify the school. Practices for such occasions will be held at school, and consequently your child will be as safe here as at home. If school is dismissed early, the emergency dismissal policy will be used.

**NOTICE TO PARENTS OF PESTICIDE APPLICATION:**

Saugatuck Public Schools has adopted an Integrated Pest Management program. Inherent with this are the District's efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, these will only be used as a last resort. This program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pest from becoming a problem.

You will receive advanced notice of the application of a pesticide, other than bait or gel formulation at your child's school. This advance notice of the application will be given 48 hours before the application. The law requires us to do this notification by using two methods. The first method required by the law is the posting at entrances to your child's school. The second method we are going to use is the posting in a common area located by the main office of the school. Parents are also entitled to receive this notice by first class United States mail postmarked at least 3 days

before the application. If you would like to be notified by mail please contact the main office at the beginning of the school year.

In an emergency (for example, bees nest), pesticides may be applied without prior notice, but you will be provided notice following any such application.

You may review our IPM program or pesticide application records for your child's school by calling or e-mailing Kevin Kimball the District's Director of Operations at phone number 269-857-2133 or e-mail address [kkimball@saugatuckps.com](mailto:kkimball@saugatuckps.com). This number or e-mail may also be used when school is not in regular session.

system and emergency response agencies with the school's plan; and an annual review and evaluation of the cardiac emergency response plan.

### **ANAPHYLAXIS POLICY**

Douglas Elementary School personnel are committed to providing a safe environment for students. With the incidence of allergic reactions rising nationally, our school has adopted the following policy:

#### **Prevention:**

Several efforts have been made to protect students from potential allergens. Names of students with allergies are listed on the medicine cabinet in the office.

Douglas Elementary School provides school menus in advance to all parents. 2 doses of epinephrine are located in the office. 2 doses of epinephrine are located in the AED case outside of the gym.
